Further go into more complicated models:

By introducing in more layers to our model ,we can expend it to more stations. Here I use 4 stations near battery park to illustrate:

Pic1: daily saves:

Pic2: Annual saves:

	0.1	0.2	0.3	0.4	0.5
0.1	7279	18464	28573	37606	45534
0.2	6825	17557	27213	35792	43267
0.3	6372	16650	25852	33978	40999
0.5	5464	14836	23131	30350	36463
0.7	4557	13022	20410	26721	31928
0.9	3650	11207	17688	23093	27393
